President's Message

I would like to thank our Vice-President **James Williston** for filling in for me at the CAWMC Breakfast and Annual General Meeting, and Chairman **Al Munro** for running another successful auction at the same event. The breakfast was held on the occasion of the RCNA convention, in Boucherville Quebec. Thank you also to the 22 other attendees. I hope you all had a great time. Please read the Minutes of that meeting, my President's Report and our Financial Report as of December 2016, as presented at our AGM.

That convention was a short one for me, but I still had the pleasure to visit old Montreal, specifically the Chateau Ramezay, the Bank of Montreal and the Notre-Dame Basilica, and Fort-Chambly and St-Constant's Exporail, the Canadian Railway Museum, as well as breaking bread, and experimenting Quebec's specialty beers, with some of our members. I believe that all our members present at the convention had a great time. Please consider joining us next year, in Mississauga.

I also would like to welcome **Karen Dupuis, Ken Rieck, Art Carley, Arctic Backhoe Services Ltd., Neil Macaulay, Jeff Fournier and Jeffery Wilson** to our association. I hope that you will enjoy our hobby and our publication and free woods as much as other members do. We have been called a "very dynamic association" and we can all be proud of our accomplishments! Welcome!

Our prayers go out to **Jim Smith**, who along with his puppy **Fu**, has been evacuated for several weeks from his Likely, B.C., home due to sixteen active wildfires in the Caribou Fire Centre, which includes seven in the Quesnel area, and all are considered ignited by lightening. Evacuation is for exposure to smoke and risk of fire reaching his home. The community where the authorities wanted to relocate Jim originally, has since lost forty-two buildings.

I am looking forward to hearing from you all and hopefully reading your contributions to *Timber Talk*. In your fall travels to country markets for our wonderful Canadian fall squash, be sure to look out for new woods offered by market vendors or the market administration.

You can reach me at France D. Waychison, P.O. Box 466, Timmins ON P4N 7E3 or at france@waychison.com. Enjoy the rest of the summer!

Keep Well!

Probert Wedding

Free Wood of the Month of September 2017 by Ross Kingdon

Our September Free Wood of the Month was donated by **Neil Probert**. It is 8140-452 in Norm's catalogue. This 38mm GL/PU wood was issued in 2016 in Calgary, Alberta, to commemorate the October 22nd wedding of **Jill Probert** and **Mike Carriere**. The quantity issued is unknown.

Neil Probert is long-standing member #101 of CAWMC and a CAWMC Past-President (1983-1985) and he is also a member of the Calgary Numismatic Society. Neil was President of the CNS 1978-1979 and he wrote the CNS detailed and interesting history found on their website <https://www.calgarynumismaticssociety.org/history>. Neil is currently CNS's Editor and the Club Archivist. Neil has been a Chartered Professional Accountant (<http://www.probert.ca/>) for over 35 years, and he has served as a Director on the Board for the J. D. Ferguson Historical Research Foundation and is currently the Foundation's Treasurer.

Jill Probert is the daughter of **Neil & Eva-Lynn Probert** and the granddaughter of **Jack & Muriel "Mickey" Probert** and great-granddaughter of **Alfred & Blanche Probert**. Jill's grandfather Jack was quite amazing, having served in WWII in the RCAF as an airline mechanic, then after the war working for nearly twenty years for Canadian Pacific Airlines, then going to university to get a teaching degree and teaching automotive mechanics at a secondary school for nearly two decades. Jill is also the granddaughter of **Jim & Gladys Sutherland**. Again roots in teaching, as Gladys (who passed away at age 100) taught in Alberta for several decades.

Congratulations Jill and Mike on your wedding, and we wish you many happy anniversaries.

Featured Woods: (note: if we receive a donation of a NEW wood, we will insert it and push the schedule out farther):

- ♦ October 2017—**Trump wood** (from Jim Smith, woodencoin.com) - same month as Columbus Day
- ♦ **West Edmonton Coin & Stamp** – November 2017 (8300-133) or new wood
- ♦ **360° Wellness Inc.** –December 2017—donated (via Ken Munro) by 360° Wellness Inc. centre in Spruce Grove Alberta. There are four centres in Alberta.
- ♦ **West Edmonton Coin & Stamp** – January 2018 (8300-132)
- ♦ **Family Day (by Province)** - February 2018—donated by Jim Smith of woodencoin.com
- ♦ **St. Patrick / Ides** - March 2018—donated by Jim Smith of woodencoin.com
- ♦ **Wood Coin Collector / Busy** - April 2018—donated by Jim Smith of woodencoin.com
- ♦ **West Edmonton Coin & Stamp** – May 2018 (8300-138)
- ♦ **West Edmonton Coin & Stamp** – August 2018 (8300-134)
- ♦ **West Edmonton Coin & Stamp** – November 2018 (8300-137) - this is the last wood in the 8-wood series

Woods to be advised for June, July, September, October, and December 2018. More donations are always welcomed!

CANADIAN ASSOCIATION OF WOODEN MONEY COLLECTORS

ANNUAL MEETING MINUTES

Saturday, July 22, 2017, in Boucherville, Quebec

The meeting was called to order at 8:00 a.m. by Vice-President **James Williston**.

- ◆ Everyone was asked to sign the attendance sheet. There were 24 members and guests present.
- ◆ James called everyone to take their seats for breakfast and asked **Dave Gillespie** to say Grace.
- ◆ James called the business portion of the meeting to order.
- ◆ James called for a moment of silence for any members who passed away since the last meeting.
- ◆ James asked **William (Bill) English** to run a fifty-fifty draw. **Jim Bailie** agreed to sell tickets for a draw.
- ◆ **Dave Gillespie** advised that due to production difficulties there was no fund-raiser wood this year.

The business portion was called to order at 8:45 a.m.

- ◆ James read the **President's Report** from **France Waychison** (below) and moved for acceptance of the report. Seconded by **Al Roy**. Carried.

"My goal this past year has been to increase the visibility of CAWMC, and through the club's participation in the RCNA medal program, show that our club, sometimes considered and referred to as 'fringe,' is as relevant as any other numismatic club around.

The '**not so official**' **Canada's Birthday logo contest** ran from January to mid-April 2017 appearing in both the RCNA's *CN Journal's* Club News Column twice, and in the *ONA Ontario Numismatist*. Only seven entries were received. Some participants chose to renew memberships, while Life Members were invited to give a one-year membership to a person of their choice. The winning design was used to illustrate the second wood issued by the CAWMC this year.

The first wood issued by the CAWMC this year, bears a revamped CAWMC logo, in red, and a special '**enjoy the hobby of wooden money collecting**' design, complete with website address and phone number, where one can get information about our Association, in blue. The CAWMC logo die at CWW is available *free-of-charge* to all our CAWMC members.

The second wood, shows the winning design of our Canada '**not so official**' **birthday logo contest**, on one side, in red, to accommodate the design, and our 'enjoy the hobby' design on the other, in green. Each CAWMC member will receive five (5) of each wood. Ideally each member will keep one or two depending on his / her pattern of collecting, and will distribute the remaining woods to friends and fellow numismatic collectors who might be interested in this unusual hobby of ours.

We authorized the striking of 25 **Canada 150** medals bearing the CAWMC logo on the reverse, for sale to our members and another 50 medals were acquired by the RCNA for inclusion in the Canada 150 sets which consist of 28 different medals from participating clubs and associations. These sets are being sold for \$300 at the RCNA 2017 convention while supplies last. In the process we have acquired a new CAWMC logo die for all CAWMC members to use *free-of-charge*, should they desire.

CONSTITUTION: Despite the best of intentions, no work was done on the constitution this past year. **Dave Gillespie** has volunteered to work on this in the near future.

CAWMC OFFICIAL PUBLICATION *TIMBER TALK*: Our Editor (**Judy Blackman**) produces 12 issues this year. The limit of 10 pages per issue is usually respected. Although I am grateful our American members are prolific collaborators, I would like to see more Canadian content, but we rely on our members to provide articles on Canadian woods. All members are encouraged to write." *[Editor's Note: Jan.-Aug. 2017 issues were all 10 pages, and 4 of these issues included the full page logo contest leaving the Editor with 9 pages for contributions instead of 10. This Sept. issue is 10 pages despite needing 2 pages for minutes and financials, leaving only 8 for contributions. As well, the most frequent contributors of U.S. articles are actually Canadian members, whereas the U.S. members usually submit photos with short captions.]*

NUNET.CA Website: I have updated our page twice this year and will try to keep it up. The website is administered by **Paul R. Petch**, and changes can be communicated through email. Pdfs and Word doc files are preferred."

Al Munro presented the **Treasurer's Report** (next page). He advised the association made \$136.98 this last year. Al advised the major items in the report are the subsidy for the breakfast, and the purchase of woods for distribution to members. Al

- ♦ advised there were more woods purchased in 2017. Al also advised that he had purchased a new supply of wooden membership cards. Al moved acceptance of the report. The motion was seconded by **Ross Kingdon** and was carried.
- ♦ James announced there were no awards recommended for this year.

OLD BUSINESS

- ♦ James asked if anyone had any old business to bring forward. None was brought forward. [Note: Both AGM minutes of 2016 and 2017 will be approved at 2018 AGM due to an oversight.]

NEW BUSINESS

- ♦ Norm presented the election results. All results were by acclamation. Serving for the July 2017 to July / August 2019 term are: **President France Waychison**, **Vice-President James Williston**, **Secretary-Treasurer Al Munro**, and these **Directors: Norm Belsten, Dave Gillespie, Richard Blaylock, Kevin Day-Thorburn, Robert (Bob) Fritsch**, and **Russ Brown**.
- ♦ **Norm Belsten** gave an update on the catalogue and advised that a full paper catalogue of 9,000 woods is available for \$75.00 CAD.
- ♦ The fifty-fifty draw was won by **Dan Gosling** and **\$46** was raised for the Association and the door draw raised an additional **\$87**.

James adjourned the meeting at 9:00 a.m. and the auction followed raising **\$91** for the Association.

The Woodlot

Jessie Hirt and Darren Mangin own and operate the Woodlot & Workshop in Walter's Falls (Grey County Rd. 29), Ontario. They have their own website where they post videos of their woodlot in changing seasons and of the river running through it. You can shop online or through one of their many distributors (most located in Toronto). They share "we're people who really dig the forest—going to the woods is going home." They make wooden goods out of things they find in their bush lot, a little bit of tree that you can take home with you. They like to keep their products clean lined, simple and true to nature, letting her beauty shine through.

With the first sawmill at Walter's Falls established in 1854, the town remains the home of Hallman Lumber & Sawmill. Just above the falls themselves, The Falls Inn has become a popular wedding and vacation spot. Although this waterfall is on private property, there is a viewing platform where Walter's Creek plunges 14 metres in the heart of the village. Named for the pioneer John Walter and his family, the picturesque settlement grew around its waterpower, which continues to provide energy for a gristmill.

Darren and Jessie met over twenty years ago. Jessie says, "We've always shared a love of the woods. We live in Essex, small town in southwestern Ontario with our two little munchkins and our fabulous dog Maeve. Our bushlot and cabin are in Walter's Falls, Ontario, where we spend as much time as possible, walking in the woods is a fantastic way to spend time. Walking in the woods we find all sorts of downed trees and branches, in twenty-five acres there is a LOT to pick up. We also use some reclaimed wood and workshop scraps from woodworker friends. This year we became part of the Ontario Wood program, happily working to make products from wood found right here in Ontario!"

"Lots of fun with these wood slice play coins — 12 in all — and they come in a little burlap bag. My 4-year old was always taking wood slices and playing with them — she would go out to her tree fort and have a 'store' — where we bought things like flower petals and mulch soup... ha ha—in any case, I decided to dress some up for her — stamp them like actual coins. She loves them! Hopefully your little one will too! The coins are stamped on both

sides and finished with natural beeswax. The set includes two of each circulation coin—pennies, nickels, dimes, quarters, loonies, and toonies."

"Also lots of fun with these wood bills, we started making the coins and then I found stamps for pre-Polymer BILLS! They're Canadian of course.... ha ha— but it makes them nice and colourful just like our real money. The set includes one of each bill: five, ten, twenty, fifty and one-hundred. We make

them in batches, so the bills you receive will be similar to the ones pictured, but the grain in the wood colours will vary slightly. The bills are stamped on both sides and finished with natural beeswax polish — toys that will last the test of time.”

REDUCED PRICE for LARGE LOT OF WOODS

Sheldon has advised the previous ad price of \$599 CAD (plus shipping) for 1,500 woods **has been reduced to \$479 CAD** (plus shipping). This is a great opportunity to acquire a superb collection of assorted woods, mostly Canadian, in binders. Some duplicates. This picture is just a sample of one of the binders you will receive in the lot. Please contact **Sheldon Kasman** by email to post.35794@gmail.com or telephone (416) 627-3403.

FOREST FEST WOODEN BADGES

by David (Rusty) Phillips, CAWMC Member

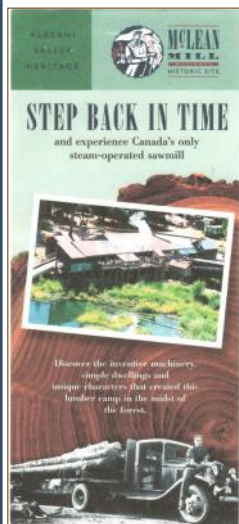

Prior to, and including 2002, Port Alberni community activist, John Mayba, felt that the City should have a Festival to show off the City and area, remember the history of the City and area, acknowledge the industry of the area, and, to encourage both locals and visitors to attend and enjoy such a Festival.

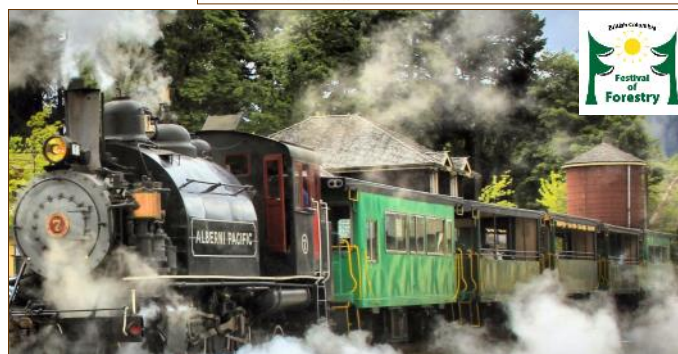

John enlisted a committee of like-minded folks from the community, plus representatives from organizations and industries who could and would contribute ideas and support to such a venture. The result was "Forest Fest", a 3-day event in early-July of 2003, and which event was repeated annually until 2011 (with a one year hiatus in 2010). The event was billed as: "celebrating the culture and heritage of west coast logging." Associated forestry-oriented businesses and practices were included, e.g. log, railroading, trucking, sawmilling, etc. The event was held at the site of the historic and refurbished McLean's Mill Steam operated sawmill (now a National Historic Site). The program for the annual event included logging and sawmill active demonstrations and displays, forestry-themed story-telling, poetry reading, song and dance reviews.

One of the forest-oriented innovations was the introduction of a wooden token / badge that if purchased ahead of the opening days of the annual events, not only was a bit cheaper than the entry fee at the gate, but also got one into the grounds for all of the 3-day events.

These badges were cut from large fir tree branches—2,500 were cut initially—2002/3, which an additional 1,200 cut in 2007. Not all were stamped and sold, but folks involved with the program did tell me recently that 1,742 were sold over the 2003-2008 years, plus 500, complete with a black "X" on the reverse side were given out for promos (in 2009 and 2011 paper tickets replaced the wooden badges). The balance of the badges, some stamped, some just blanks, are stored away in a volunteer's storage area. The badges are uniface and came originally with a 24-inch string (for hanging around the purchaser's neck). The badges range in size / shape from 2 to 3-1/2 inches by 55 to 90 millimetres, and are from 1/4 to 5/8 inches thick by 6 to 10 mm thick.

My Sincere Thanks are extended to John Mayba and Kirsten Smith (Port Alberni City Museum) for their helping me reconstitute the "Story" of these wooden badges.

The Almonte Candy Co.

by Al Munro w/Internet research assistance from Editor

While I was visiting **Sean Isaacs** at **Alliance Coin & Banknote Company** in Almonte, Ontario, I heard rumours of a wood issued several years earlier. I managed to track down the 1-inch diameter wood shown here. The wood was issued in 2004, and 1,000 were made. The vendor discontinued the program as a result of few woods being returned and redeemed towards purchases. **The Almonte Candy Co.** original store relocated inside of the **Baker Bob's** store.

The original Almonte Candy store opened in February 1994 at 63 Mill Street under the ownership and management of **Robert J. Graff**, otherwise known in Almonte as **Baker Bob**. When Almonte was still at the Mill location, its annual revenue was around \$175,000 and staff employed was 3.

Bob is entrepreneurial, becoming a proprietor of other businesses such as a newspaper (Stan's Newspaper), and a puppeteer and puppet distributor. Almonte held an annual **The Puppets Up! International Puppet Festival** for 12 years (with average attendance in the 12,000-15,000 range), when for the first time in 2017 it was cancelled by the Festival Board of Directors citing expenses were now exceeding anticipated revenues. The puppet website indicates the festival may be back up in a different form in the future. The 2016 3-day festival was considered very successful, so not sure where things went wrong for 2017.

Baker Bob's has a great selection of their famous fresh-baked loaves of bread, super croissants, cookies, pastry tasty treats, cakes, great candy selection, gourmet foods, lunches, locally roasted Fair Trade Equator coffee, and a whole lot more. Lots of free smiles! It also **The Almonte Candy Co.** store inside the Baker Bob's store which is located at 75 Little Bridge Street. Now there's at least a dozen candy stores in the Almonte area, so it's no surprise it made more sense from an efficiency and profitability viewpoint, to move the candy store inside the bakery. It's best to go into the store in the morning for a larger variety, as by afternoon, much is sold out, since Baker Bob's is so popular with the locals and tourists alike.

Brantford Numismatic Society 2017 Show Wood

Over 400 folks attended the BNS 2017 spring coin show held in June, and each attendee received a Canada 150 / BNS wood token upon entering the highly-reputable show. This event was the club's 54th annual show. The obverse were all red Canada 150, and the reverses were stamped in four different colours: black, red, blue and green.
